Aaron Cozort: [00:06](#) You would be surprised what's in the Bible. I know individuals in the first century who were. Notice what they said concerning Jesus and when the Sabbath had come, Mark Chapter six verse two, "He began to teach in the synagogue, and many hearing him were astonished saying, where did this man get these things?" They heard what Jesus said, and they were astonished, but everything Jesus taught them by all indications of scripture came from the word of God from the Scriptures, but He knew it far better than they did. You'd be astonished what's in the Bible. So I encourage you, pick up your Bible and start studying. You might be astonished what you find.
